

MASS

in RE

**Dom L Laurence Bévenot, OSB
(1901-1990) 1954 Westmonasterii**

Being modal in character, the music of this Mass
may serve as a stepping-stone to plainsong
It is written for 2 groups of singers, I and II
(I) could be the Congregation and (II) the Choir
The symbol III means that both (I+II) together
This organ-part should never dominate
the singing by being played too loudly
